HELPFUL HINTS

It is recommended email marketing creative and verbiage should connect and engage attendees to your presence at the show, showcasing what your company will be doing or offering at the show. Samples include:

- What discount will you offer at your booth?
- What exciting activities or education will you be conducting?
- What new products would they be able to try or buy?
- It's always a good idea to include a call to action such as "click here" or "click now".

To avoid delays in load time be sure to follow the guideline sizes above.
